Some of the games have mini-games where you can buy special items or earn coins in order to unlock new areas or items. The idea behind robux is that players can earn robux by playing and participating in the game universe. Rated 5 out of 5 by Anonymous from Charming Roblox is so charming, even though I am 11 years old I still love this game. My sister is 8 years old, and she also loves this game. She plays roblox more than me. We always play it together, and we sometimes even make a little brother character named Blox. Every night we would ask our mom if we could play roblox longer, because we didn't want to stop. I love the update where when you or your friends spell a word, something pops up in the middle of the screen to tell you the number of letters in that word. The only thing I think is bad about this game is that you have to have headphones on if you want to move around, and since I usually play with headphones in it makes it harder for every one else to hear what my sister is saying (but they can still hear her). I love this game so much. I would definitely recommend it to my friends.

If you do not want to go through any complicated process, then I would recommend using this method. This is one of the most reliable ways that anyone can use in order to get free robux on roblox right away, so it should be a good choice for some players out there!

In January 2021, Roblox permanently banned all accounts that were created by Arielle De La Rosa. The company said it was because of her "continued behavior", which included actions such as creating Emily Roe and harassing other users, as mentioned above. Although she had been blocked from Roblox for over a year, they said their original ban for her had been lifted in November 2021. They also stated that she could no longer be unblocked on their platform because of previous harassment reports against other players. The ban was not for her actions, but instead because of the continued harassment she had done.

- The game is too expensive. I cringe when I see that a certain hat costs 2 million Robux. Robux are the currency used in Roblox, and I have no idea where to get them in game. But it's pretty obvious that you have to pay real money for them or use your parents' credit card to access the store. And if you do use your parents' credit card, then they'll try to find out why you were so interested in a child's game and they will most certainly look at the Roblox website or app, which will reveal that there are so many games with suggestive themes/languageing that it will make your eyes bleed (and your mom/dad's too).

I love Roblox, but there are some things that I don't like. My favorite aspects of Roblox are that it's fun and easy to play with my friends online, and it has funny ways of making you laugh or feeling nervous. My least favorite aspect is that if you use your neighbor's computer (turn it on/jack in) you can't change your username or skin. Also, there are players who break laws such as swear words, so they get banned from Roblox for doing so. I don't think Roblox should be edited at all, but just taken off.
