There is a rare item that can be found in some games called "the orb" which is a blue orb looking like thing. It comes from a sound that the game creator puts in the game and if you get it, it can be used as an attack to kill the enemy with or to do other stuff like make you invincible. The orb is very rare to get so it is not really good to use if you do not want to waste the item, but I think that this item should be more common, so we don't have to spend too many robux on it.

The news has attracted mixed responses from users. Some believe it's an improvement since it's more reliable, and fixes most of the bugs that caused users to constantly lose their work. Others think that it is useless due to the fact that ROBLOX Studio randomly changes collision methods and there are no descriptions on how to remedy this problem. Some have even started questioning how Roblox handles the games they host as well as some of their policies towards adult players/contents, and other problems like spam bots.

On March 18, 2021, ROBLOX introduced Virtual Pre-Orders which allow users to purchase merchandise months before it is released for general purchases. These items include apparel and accessories for your avatar. On May 7, 2021 ROBLOX announced the launch of a new virtual item known as the Game Ticket which allows players to purchase one game a month for 6 months (at half price). Players must be signed in and have a valid payment method in order to access the store.

So far I haven't really enjoyed ROBLOX because of how serious it is. The game itself just isn't fun and is way too addicting for me. I know some people enjoy it because of how addicting it is but it just isn't fun for me. Why is that?
