ROBLOX has been criticised for not allowing users to report other users who are abusing others or who are being abusive in their games. There have been a number of times where users were able to exploit this and harass other users without consequence. This was especially common on the server "The Plaza", where certain accounts were able to retaliate against other players with no restrictions.

The Chat Room is an area where players can talk or text either with themselves or with other players. The chatroom is separated into different categories, depending on what players are doing. Normal chat rooms for most players will probably contain users asking different questions about the game as well as people chatting about their creations. Other chatrooms include a room where people can indicate whether they want someone to play their games or put them up for sale and a "Celebrity Chat" that allows known celebrities to visit and hang out in the chatroom.

Roblox uses multiple methods of advertising. They first started advertising on websites like Nickelodeon, but they have moved to focusing on social media sites like Facebook and Twitter.[66] Roblox also primarily advertises at gaming conventions such as E3 and Minecon. Roblox has an official YouTube channel on which they occasionally stream live events called "Developer Live", where Roblox employees give sneak peeks of upcoming features.[67] They have also recently released a list of YouTubers that are apart of their Developer Program called the "Roblox Ambassador Program". These YouTubers are able to test new features in Roblox before anyone else with the exception of Google employees.

On November 11th 2021, ROBLOX added a feature called "ROBLOX Backpacks" to its website. Almost immediately after the release of this feature, a large amount of "spam" messages began to appear on social media platforms such as Twitter and Facebook. These occurred in the form of "spam links" that were posted by players who were seeking to make a profit. Roblox later modified its terms and conditions which resulted in all links being blocked from being posted until December 22nd, 2021.[76]

Roblox claims that she was fired because they found out she was using her workplace computer to dig up personal information about her co-workers and this affected her job performance. However, she claims that the only reason they are saying this is because they found out about her blog post and didn't want the bad publicity. Roblox also provided an email that Chris sent to HR in May of 2021 regarding erratic hours. She says that it was just a single complaint and wasn't fired for it.

On February 16th, 2021, ROBLOX's main Twitter account was hacked by a group that goes by the name "RIP Roblox." This prompted some users to make spam on the forums. The group also hacked ROBLOX's official Twitch page. They claimed to be doing this because they found a security glitch that allows them to bypass site security and touch other people's accounts to steal their virtual currency.[19] They later stated that they were done with their attack and did not release the method of how they were able to bypass ROBLOX's security, as ROBLOX did not provide them with any compensation.

In 2021, ROBLOX added a new feature called the Robux Exchange. The exchange

allows players to trade their hard-earned coins for ROBUX and for certain items, which can be used to build games. To use the exchange, players must have at least 50 ROBUX in their account.
